Map showing that certain 19.51-acre lot, or tract, laying in the North end of the West side of the West half of the SW 1/4 of section 31, T. 20 N. R. 12 E as compiled and prepared by B. E. Reed, Registered Surveyor No. 1555 from certain copies of purported description of the tract, from assessment data, and from a retracing of the lines from the notes of a survey for Mrs. Young of the area by E. E. Todd covering 19.51 acres sold or to be sold to the SOUTHEASTERN SAND & GRAVEL COMPANY by Mrs. Young. Physical evidence, as hedges, existing stakes, information from adjoining owners, and other reputable citizens, has been given consideration and it is believed that the bounds of the area of the 19.51 acres have been retraced as true to the original layout as it is possible to so do.
