

1958 VISTA

Dedication

We, the members of the 1958 Senior Class of Maplesville High School, dedicate this 1957-58 Vista to Mr. Joseph L. Kelly Mr Kelly is the Coach of the football team and the physical education administrator. The students at Maplesville have grown to love and respect the Coach and his sound guidance. Thankful for the instruction of one so close and for one being such an active part of our school, we dedicate this Vista to Coach Kelly

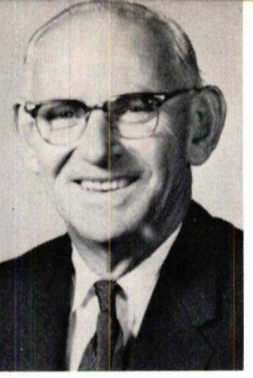

Principal's Message

The history of each school year in the lives of our students records many, many sayings and happenings. As time goes on, one looks back in fond remembrance of those things, putting a great many of those things into compact form, into interesting and enduring form, and in a form that will forever retain the romance and wonders of school days which is the province of "The Vista."

This year's Vista is the result of hard work on the part of the Editor-in-Chief, of his very capable staff, of each and every member of the Senior Class and of the Co-Sponsors, Mrs. Dorothy R. Daniel and Mr. Joseph L. Kelley. Each and every one connected with the production of "The Vista" are to be congratulated on a job richly deserving of the words "well done." The entire faculty and student body join in expressing our appreciation for a job well done.

Senior Class History — 1958

As we, the Senior class of 1958, near the time of commencement, which is the beginning of a new life for all of us, let us look back twelve long years to another commencement. The beginning of our first year in school, 1946. Mrs. Louise Chambers, with the patience of Job, began this year with a group composed of Joyce Atchison, Dewey Lenoir, Lee Von Gandy, Kenneth Burnette, Lewis Mitchell, Perry Chapman, James Fuqua, Henry Latham, and Betty Lawrence.

1947 - Miss Maude Johnson accepted this group, with the addition of Peggy Lovelady who joined us from Randolph. By the end of that year, Miss Johnson was looking for a husband, anything would be better than teaching a group like we were again. (She should have thought of that sooner. School was out then.)

1948 - We entered this year with still plenty of enthusiasm. Shirley McAfee joined us from Atlanta, Georgia. Mrs. Inez Barnes, who is now deceased but leaves with us a memory that will never be forgotten, was our beloved teacher.

1949 - We were well prepared for this year. Mrs. Annie Chambers with her many rules was our teacher. Leon Fergerson joined our group from Centerville, Alabama.

1950 - Mrs. Virgil Nell Smith, with her kindness that never ended, prepared us well for our last year in grammar school.

1951 - At last, we've made it this far, only seven more years to go. Joe Hicks joined us from Montevallo. My, how the time flew. Mrs. Treaser Gay was our teacher. She was more than glad to pass us to the 7th grade.

1952 - Oh, Boy! We're grown! We're in junior high school! Grown was what we thought. Coach Kelley soon led us to believe different. With his board handy he started us out right for our first experience in high school. Nell Gandy and Shirley Davis joined us from Stanton and Virginia Anderson from Vermont.

1953 - By now life was really complicated. But Mr. Herrod with his handsome looks managed somehow to keep the girls under a spell and the boys busy, so that we made it without many injuries. That is except Shirley McAfee and Virginia Anderson. Therman Waldrop joined us from Randolph.

1954 - Our last year of Junior High School. We were just now beginning to realize we were a long way from being grown. Mr. Herrod, quite worn from the year before, greeted us again with sadness in his eyes. Paul Keener, Woody Ratliff, and Fred May joined us from Vermont, Bobby Langston from Selma, and Nell Gandy left us the last semester.

1955 - "Senior High School," my, if we had only realized the importance of this year. Mrs. Daniel without any encouragement from us, managed somehow to pull us through. We had still more additions to our group. Billy Klinner, Tommy Gregg and Billy Giles joined us from Stanton, Una Faye Patterson from Selma, Jerry Harrison from Vermont, and again Nell Gandy joined us the last semester from Birmingham.

1957 - A big year for all of us. It was our duty to plan the senior entertainment. With the backing of our homeroom teacher, Mrs. W. E. Cobern, it turned out fine. With many other activities including, our "Undefeated" football team, that year will long be remembered. Betty Joyce Davis from Billingsley, Betty Hubbard from West Blocton, Tracy Latham from Birmingham and Fred Walker from Isabella became members of our group that year.

1958 - "Seniors," to us that was a big word. Now is even bigger. Being a senior only makes you realize how foolish you've been and wish you could have another chance. We have many events to remember. Our senior play, graduation, Junior-Senior entertainment, football and basketball. Coach Kelley was our teacher and did his job well. Lula Mae Smith and Joan Smitherman, both have been students of our school since their 5th and 6th grade, but didn't become a member of our class until our senior year.

This is only a few of the many memories and events of this - The Senior Class of 1958.

Class Prophecy

And once again the Class of 1958 meets in the halls of the beautiful new school where stood our school. As my old classmates begin to come in I recognize them even though ten years have passed.

Ah yes, our old friend Reverend Mitchell, to us Lewis Jr. We were surprised to learn that Lewis is a preacher at the First Baptist Church in Maplesville and with him is his lovely petite wife the former Betty Lawrence.

James Fuqua has just arrived and we are not at all surprised to learn that he is a professional basketball player for the St. Louis Hawks.

Here comes the famous Kenneth Burnette, otherwise known as the singing, shaking, sensation of the nation. We knew you could do it with your ducktail, Kenneth.

And here comes the Champion Weight Lifter of the world, Jerry Harrison. We knew you had it in you, Jerry.

We are happy to learn that Virginia Anderson and M. J. Payne are married with a few little Payne's here and there.

Here comes Bobby Langston, none other than the mayor of Pletcher.

Who is this? Oh yes, Joe Hicks or as most people call him Horrible Hicks, the champion wrestler of the world.

Well, we see Dewey Lenoir and Fred May has arrived. They are partners in a big oil industry in Tumbling Creek, Texas.

Here is Betty Hubbard, the owner of Duffy's Tavern in Yuma Arizona. We hear she has a very prosperous business since it is of course a wet county.

Una Faye Patterson has arrived with her husband Leland Lawrence, who is President of the T.C.I. in Birmingham.

Joyce Atchison is entering now with her handsome husband, Colonel Sam Hensley. They are living at Scotts Field in Scotts, Illinois.

As you probably already know, Woody Ratliff and Lula Mae Smith are married and they have already come up with a few Lula's.

Here comes Leon Ferguson. He has just flown in from the Yukon in Alaska where he is a prosperous fur trapper and tradder.

Can this shapely young woman be Shirley Davis? Why yes, it is no other, and we learn that she is a model for the Hanover Model Agency of New York.

Paul Keener has arrived. He is head dog catcher for the growing city of Adams. We hear his work keeps him pretty busy.

And who is this dignified lady. Ah yes, Nell Gandy. She is truant officer for Chilton County.

Here comes Fred Walker. He is a well known mechanic for Shoults Garage on Highway 82.

And here is Perry Chapman. He now owns one of the best floral shops and greenhouses in Birmingham.

Peggy Lovelady has arrived. She is now head cook for the lunch room at Maplesville.

Dub Latham has just stomped in after a successful athletic career at Mississippi Southern. He is the star fullback for the Los Angeles Rams.

And here is Billy Giles, an employee of Hayes Aircraft, a test pilot.

Therman Waldrop just walked in, he is a syndicated columnist for the New York Times.

Betty Davis has strolled in, she is a famous comic strip artist for the Selma Times Journal.

And here is Billy Klinner, the star flying trapeze artist for the Ringling Brothers Circus.

Well if it isn't Tracy Latham, a Commander in the Navy. I hear he finally got Mr. Daniels daughter too.

And here is Joan Smitherman. She is first grade teacher at Stanton. All the children just adore "Miss Joanie."

And here is Tommy Gregg, boots and all. He is a big Texas Rancher.

And here is Old Shirley McAfee. Ten years have passed but she's still giggling and cutting up same as always.

Coach J. L. Kelley has arrived with his wife and seven children. He is still Coach for Maplesville but he still hasn't had an undefeated team since 1956. Tough luck, Coach.

Activities

Mr. and Miss M.H.S.

This is the highest honor a student of Maplesville High School can receive. Such student must have at least a "B" average, be of good character, and be popular with the student body. Mr. M.H.S. of 1957-58 is James Fuqua, a member of the football team and basketball squad. Miss M.H.S. is Una Faye Patterson, who is serving as assistant editor-in-chief of the Vista. Both are active Beta Club members and seniors.

"Character and leadership is our basis.
Might it always be our goal."
