
VISTA '59

*Presenting*
*the*

# *1959 Vista*

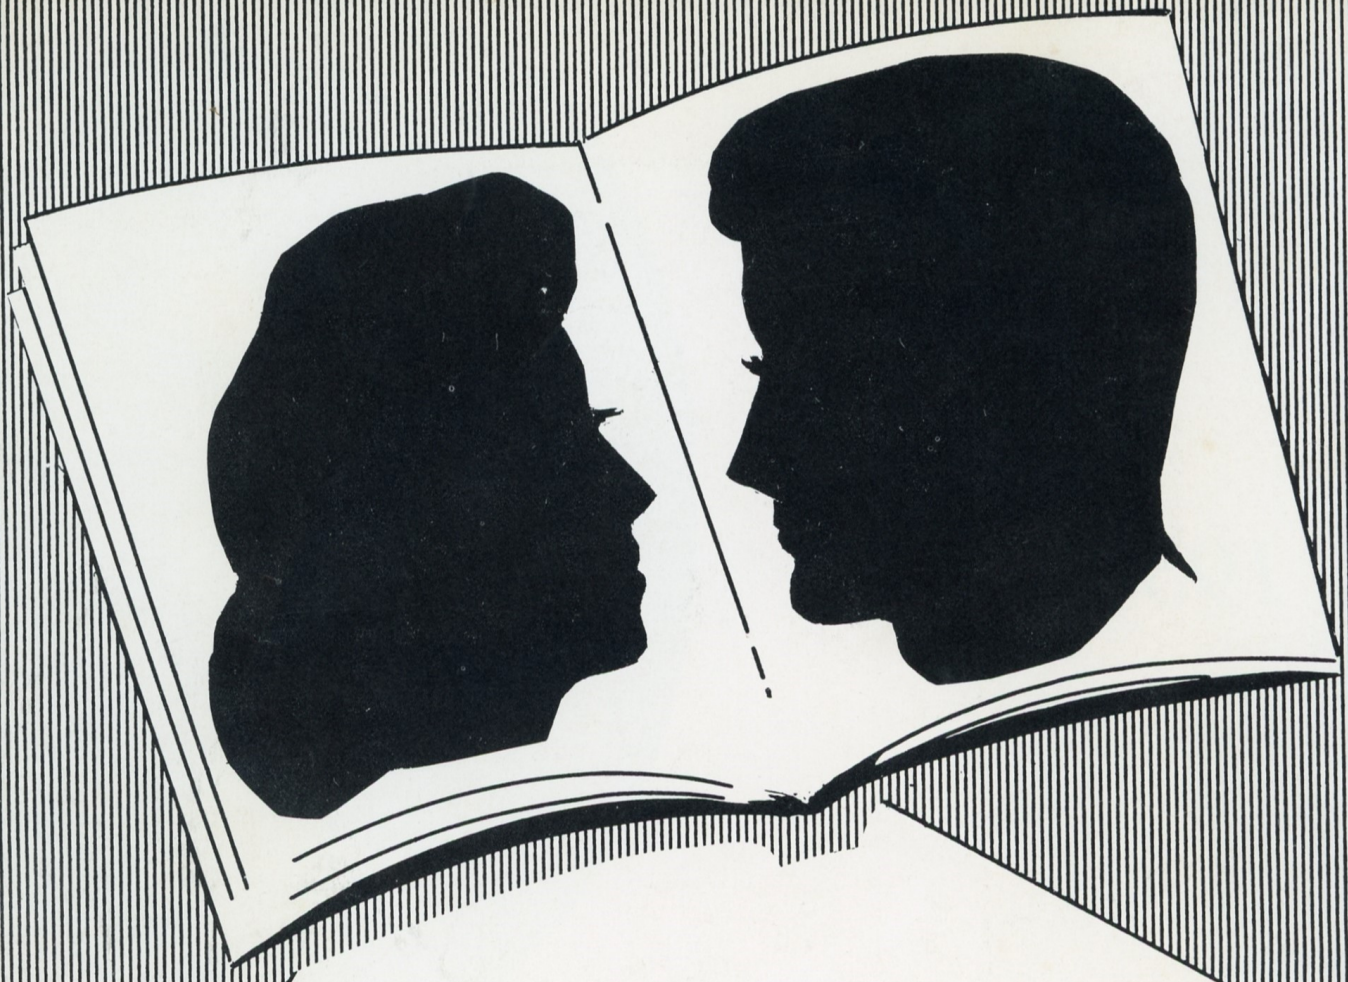

Plenty of work, play and good sportsmanship have been a part of our high school experiences. These we treasure. We have dreamed our dreams, made our plans and worked toward our goals. Many things have happened this year that we will never forget. We find ourselves holding closely to our hearts the fond memories of the past year at M.H.S. The 1958-59 Vista is yours. You made it, we preserved it through word and picture.

Vista Staff

Evie Jo Harrison

Evie Jo Harrison, Editor
Maplesville High School
Maplesville, Alabama

# *Dedication*

They have understood our problems, helped us patiently listened to our complaints with a smile, inspired us with confidence, encouraged us when we were disheartened, and helped our chances for success.

Their determined efforts to make us satisfied and happy shall always be remembered as one of our most precious high school memories. Words cannot express our appreciation for their many contributions; but to show how much we love, honor, and respect them, the 1959 Vista Staff dedicates the '59 Vista to the parents of the senior class.

Congratulations Are in Order!

Maplesville Has a Fine Crop of Graduates!

We Have a Fine Crop of Timber!

Trees and graduates do go together, strange as it may seem - in this part of the country neither can go far without the other. Whatever job a new graduate takes, at least part of his pay will result from timber growing, being harvested and manufactured into forest products. On the other hand, the growth, protection and future of our forest depend on good neighbors. We try to be good neighbors and certainly appreciate good neighbors like you folks around Maplesville.

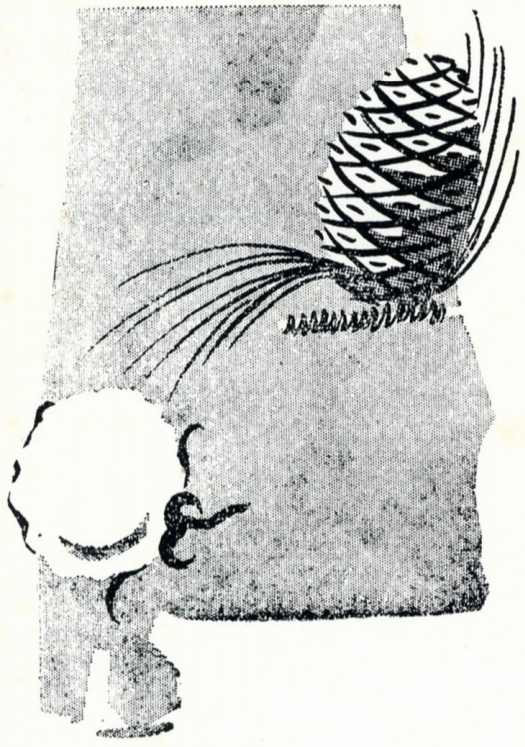

* OSMOSE Pressure Treated Lumber

CONGRATULATIONS

Yellow pines and hardwoods now contribute immensely to the Alabama farm income. Another crop not to be overlooked are the graduates of 1959. We wish for you success in all of your endeavors.
