MAPLEVILLE HIGH SCHOOL

Foreword

It has been the goal of the staff this year
To remember the past as it did appear.
With such help we could not fail,
To preserve the memories that never grow stale.

It is with great happiness that we present this remembrance of the 1962-63 school year to you through this VISTA. I hope you enjoy it.

Foreword - - -

We, the Senior Class of Maplesville High School, dedicate this 1962-63 VISTA to Sonny Scott. He has shown us a strong faith, great courage, and patience. He is a lasting friend to all of us. It is with great pleasure that we have so dedicated this book.

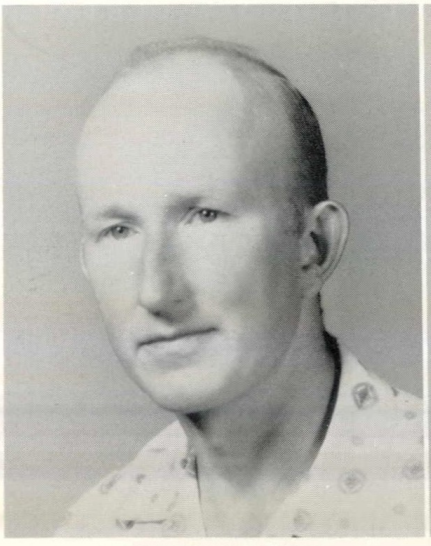

Faculty

May you be reminded and inspired to attain the goals of your life as you look upon these pages.

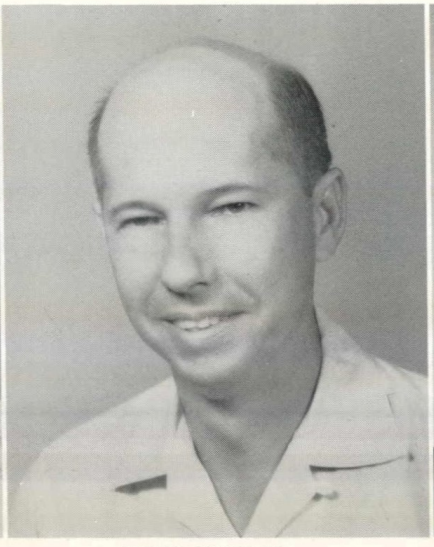

We feel sure that work, determination and cooperation will enable you to make your school, church, community, and country a better place in which to live.

Among Alabama's Resources

It's Forests Are Second Only

to Its Youth

As new graduates, you are about to pursue further education in college or assume directly the responsibilities of the business world. We at Belcher Lumber Co.--with the help of our neighbors--are busily growing timber and converting it into products that bring substantial income to scores of communities. Whether our activities concern you directly--or just indirectly--we congratulate you on your accomplishment and wish you the best of luck in your future endeavors.
