Dedication

We the seniors dedicate this 1964 Vista to our Vista sponsor, Mrs. Christine McGee. Mrs. McGee has not only been a patient and understanding sponsor but she has also become a friend that each of us admires and respects. Without her help the publication of this annual would not have been possible. It is with much love and appreciation that we have so dedicated this Vista.

Faculty

May you be reminded to put forth that extra effort that means the difference between average and outstanding. It isn't how high you go in life that counts, but how you got there.

Now, if one and one are two, then . . .

And you get paid for that?

There are exceptions in every school.

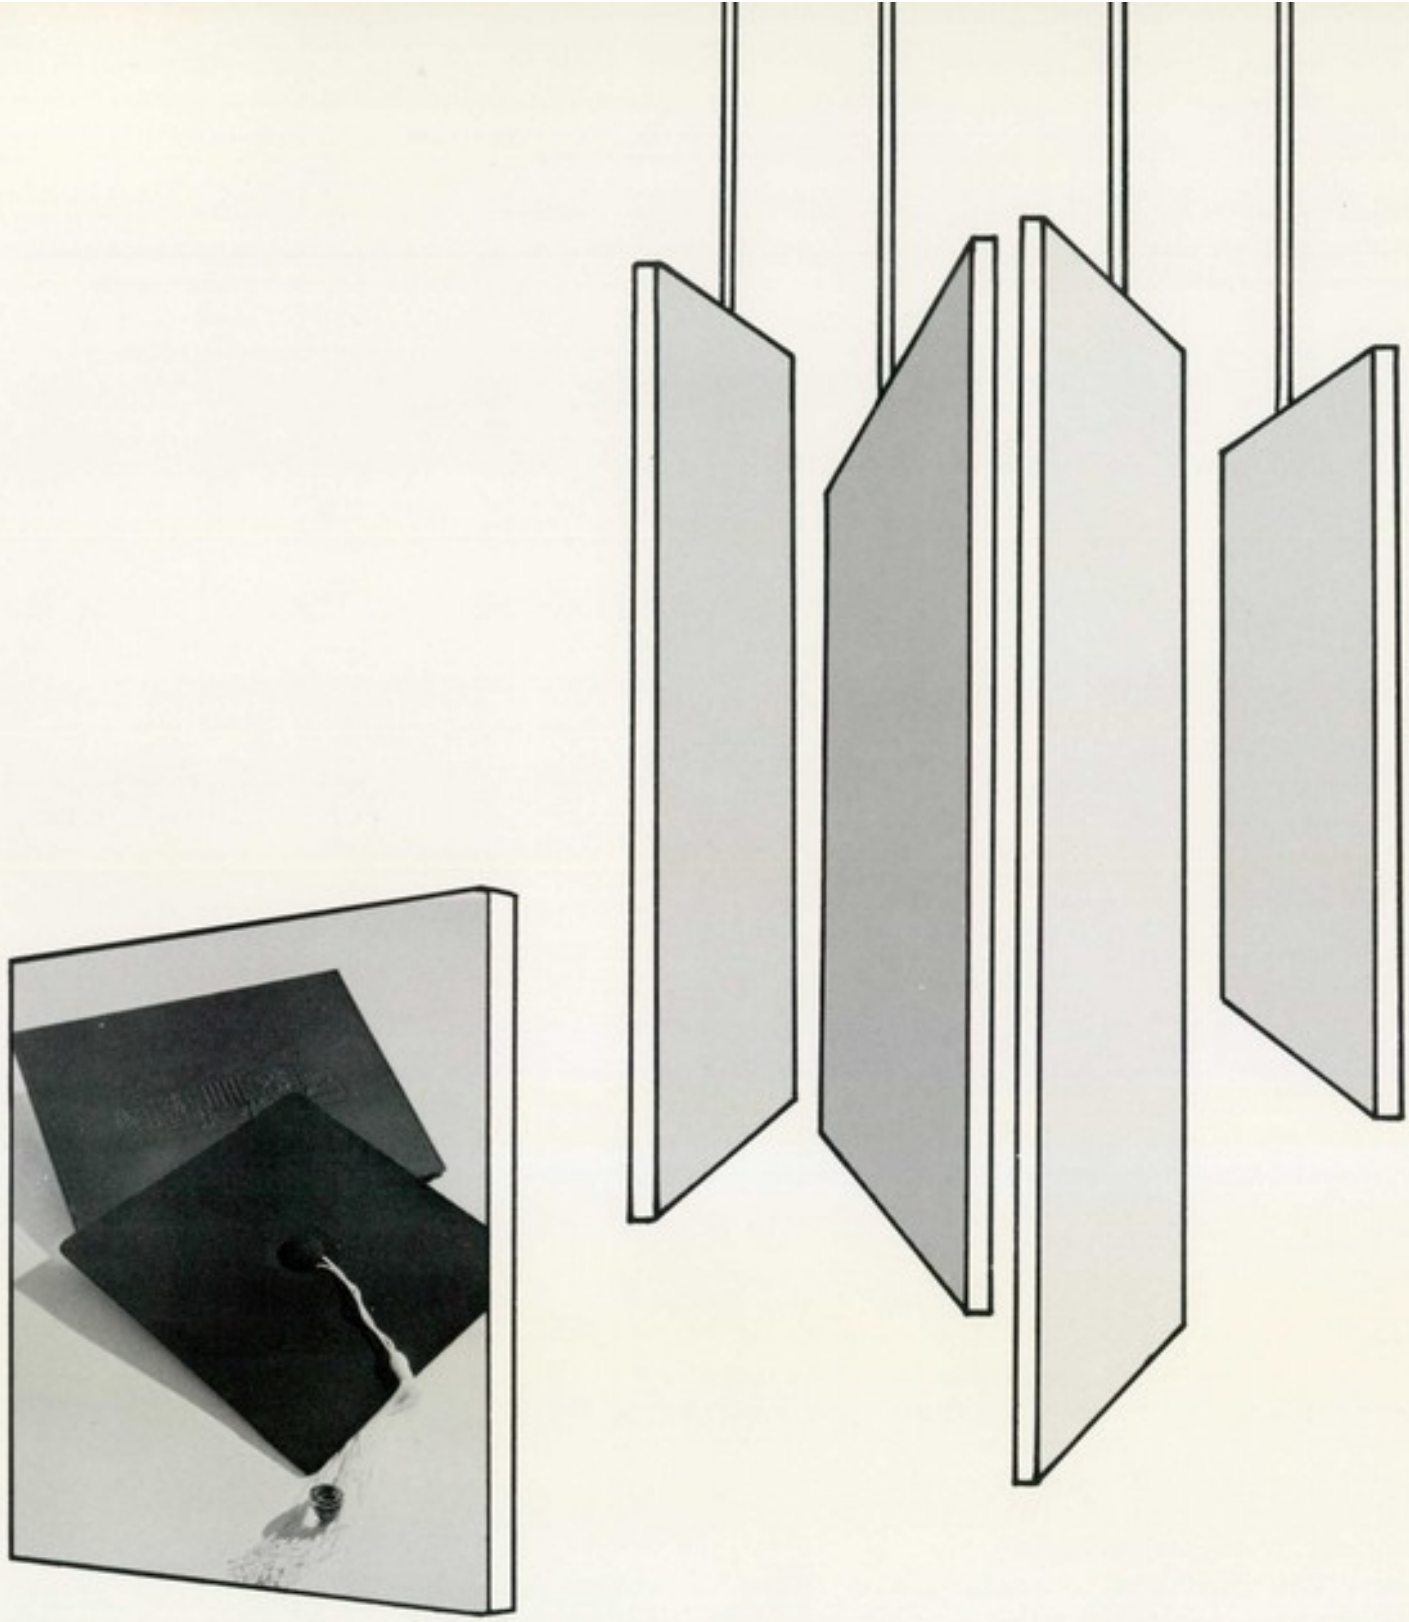

It can't be that serious.

What ya got there, Ed?

Homecoming is always a special day at MHS. The day began with a spirit of anticipation of the big pep rally and parade that afternoon. The day ended perfectly, topped by a 48-0 victory over Akron and the annual homecoming dance.
