Dedication

We, the 1967 Senior Class of Maplesville High School, dedicate our 1967 VISTA to Coach JIMMY FULFORD. We have grown to admire and respect Coach Fulford as a coach, as a teacher, and as a friend. It is with great pleasure that we dedicate the 1967 VISTA to one so deserving.

The last week of school is always a long, hectic one because everyone is looking forward to the end of school and the beginning of summer vacation. Here are some familiar sights that can be seen during that last, busy week.

There are those dreaded exams to study for . . .

books to erase ...

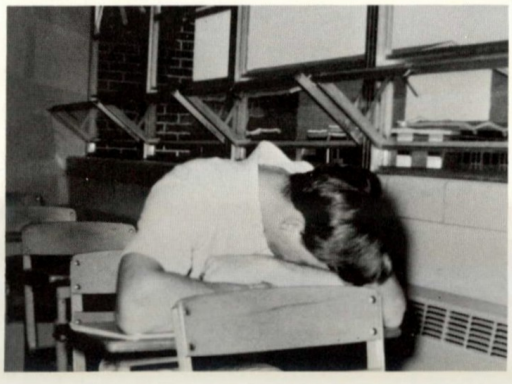

lockers to clean out ...

and books to turn in.

Finally, it's all over ...

ACTIVITIES

Homecoming

Homecoming - with all the weeks of hard work and planning, the excitement of crowning a Homecoming Queen and Princess, and the reunion of old friends and classmates - is truly one of the highlights of the year.

"We Devil Fans Would Rather Fight than Switch" was the theme of the Homecoming Pep Rally.

Then came the annual parade which featured six floats and many gayly decorated cars. Other afternoon activities included reunions of the classes of '37, '47, and '57, followed by a Homecoming Supper.

A capacity crowd watched as the Devils defeated arch-rival Dallas County High by a score of 7-6 to win the first Homecoming game ever played in our new stadium.

1966

The crowning of the 1966 Homecoming Queen and Princess highlighted the half-time activities.

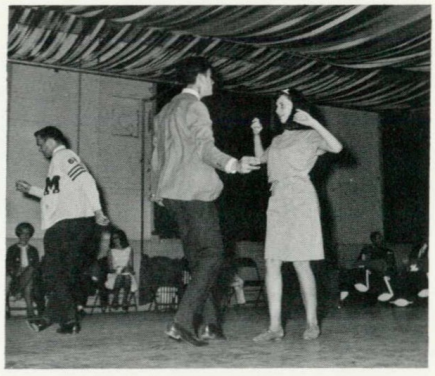

The annual Homecoming Dance which followed the game was enjoyed by students and alumni alike.

Thus ended Homecoming 1966, and to each one who had a part in making it such a success we say Congratulations! for a job well done.
