"They say students never think much . . ., but who are they anyway? How do they really know? . . . I say they're wrong . . . I think . . . most of my friends seem to . . . However, I must admit I didn't much before, but now that I'm a senior I find myself thinking quite a bit. I look at things in a different light now. Somehow I seem to have found depth that I never before realized. Like now, I'm actually thinking about thinking . . ."

KATIE WILKINS - Sec.
PAT LATHAM - Treas.

Our senior sponsor, Miss Nellie Brown, meant a great deal to the senior class. She was always willing to help us in our moneymaking projects, our baccalaureate ceremony, and our graduation exercises. For all this we thank her
