Dedication

Mrs.
Gail
Walker

The Seniors of 1975 proudly dedicate this 1975 Vista to Mrs. Gail Walker. Not only has she been a sponsor and teacher, but a friend as well. We deeply appreciate the time and guidance she has put forth for us and the school.

Principal

Mr. George Walker, Jr.

My Congratulations to the Class of '75. May you have a long and successful life. You are going out into the world to seek your place in life in the midst of a recession when employment opportunities are at an all time low. I hope many of you will use this as an opportunity to continue your education either at college or a vocational school. Your life is only what you make of it.

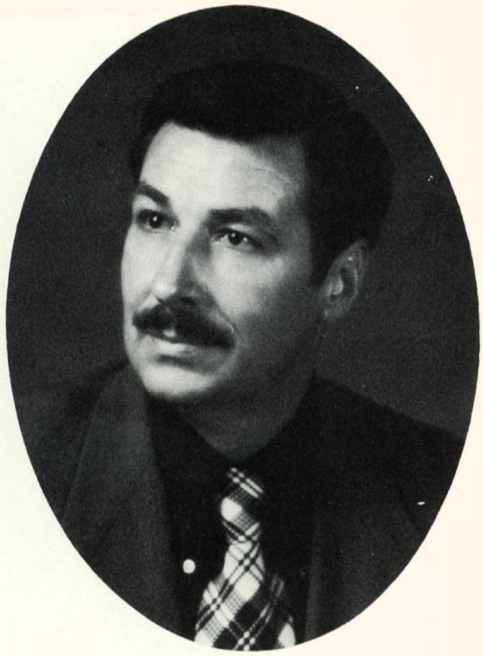

I believe you have received an excellent education at Maplesville High School. I have been associated with most of you since you were in the second grade and I have watched your progress through the years. I am proud to have served as your principal and I shall never forget you.

Homecoming 1974

After many weeks of planning and hard work, Homecoming 1974 began with Thursday night's Bonfire. Friday's activities started with a spirited pep rally and parade . . .

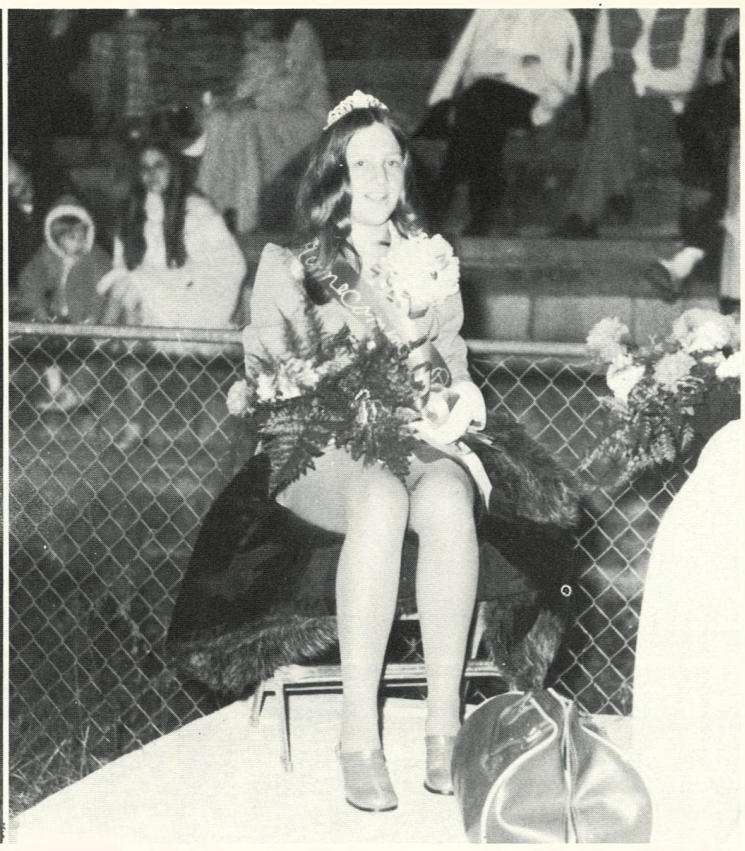

. . . followed that night by the crowning of the 1974 Homecoming Queen and Princess and their alternates.

The Red Devils were fired up and ready for the big game.

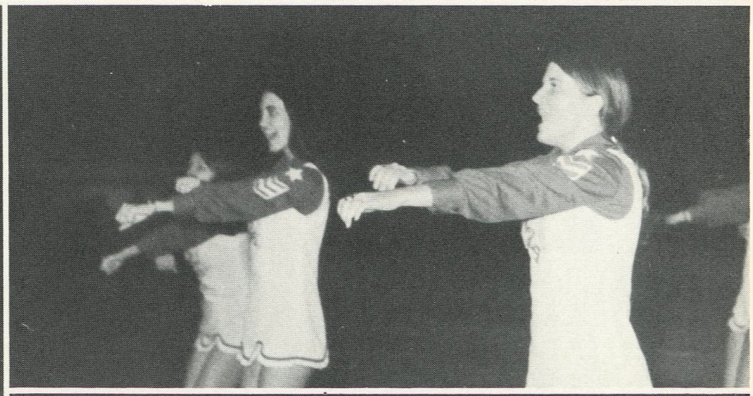

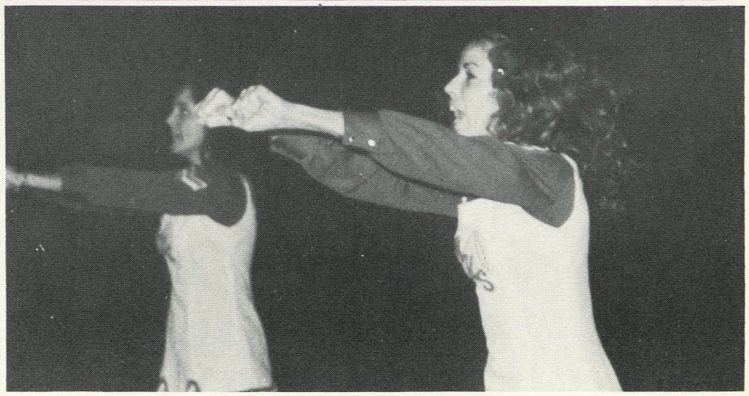

Immediately after the game, the Homecoming festivities came to a close with the traditional dance.

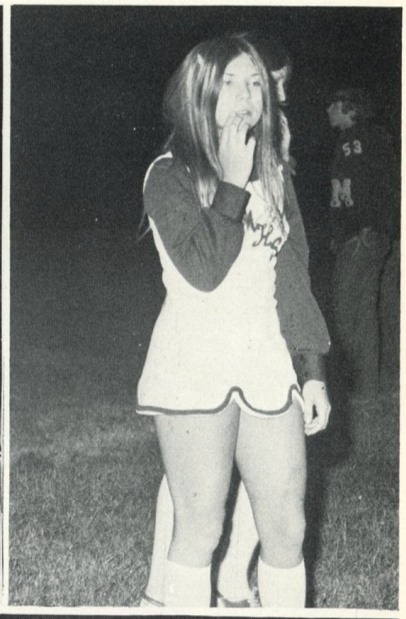

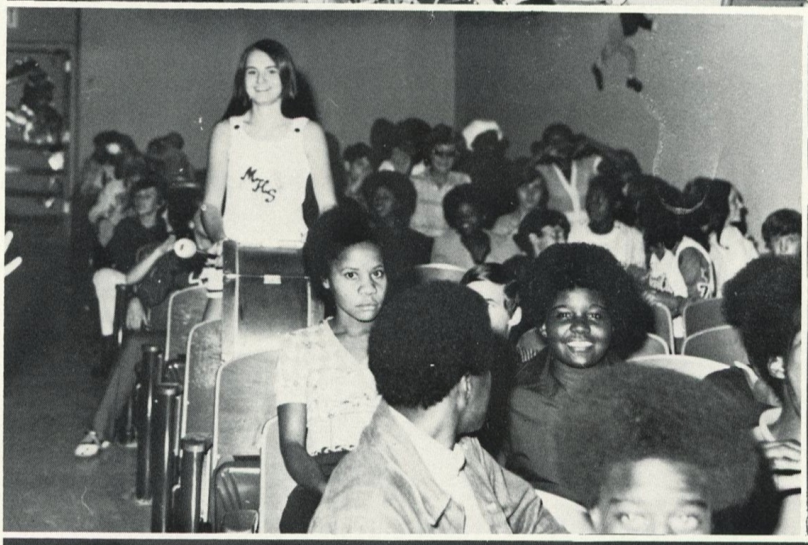

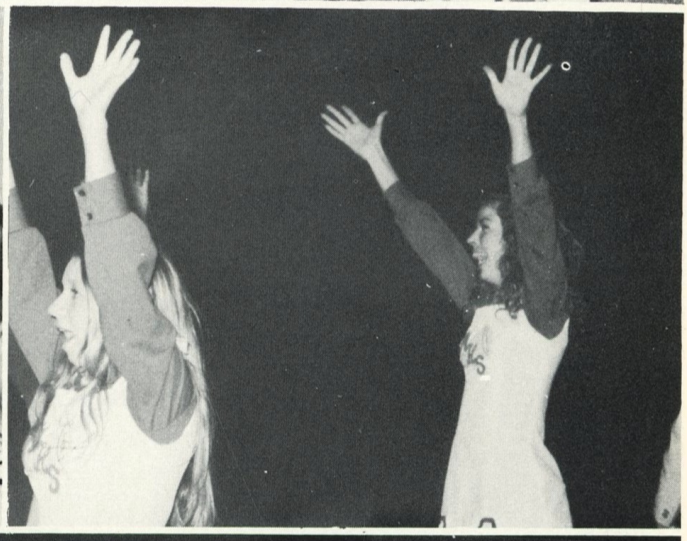

Pep, spirit, and the participation of all helped Homecoming day to be a great success. These memories will always remain with us.

All-Star Cheerleaders

These four girls represented Maplesville High School by attending the University of Alabama's Annual Cheerleader Clinic in Tuscaloosa. They entered the All-Star Competition in basketball and football and for the first time received first place honors in both competitions. Their blue ribbons entitled them to the honor of cheering for the South's team at the North-South All-Star Football and Basketball Games.
