Dedication

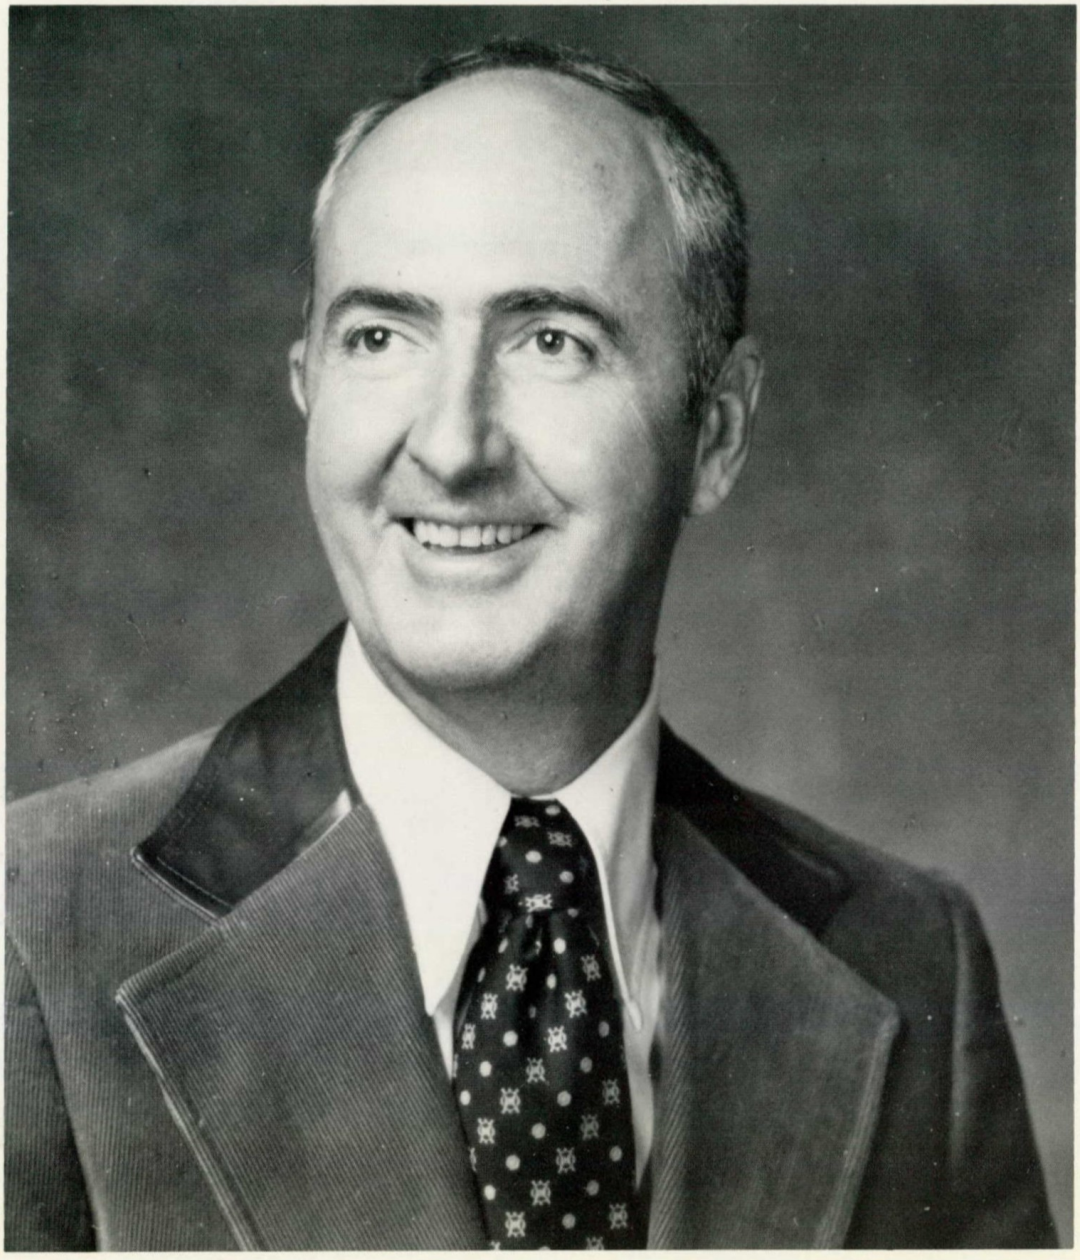

Mrs. Judy Jackson

The Senior Class of 1977 proudly dedicates the 1977 "Vista" to Mrs. Judy Jackson. It is with much love and with the greatest respect and admiration that we dedicate our "Vista" to one so deserving.

faculty

Principal

Mr. George Walker

Congratulations to the Class of 1977. The goal of high school graduation has finally been reached and you have taken your place in the history of Maplesville High School. Your Class picture will join the other classes in the school corridors. Graduating from high school is a joyous occasion for the seniors and a proud one for your parents. The time has finally come for you to reap the benefits of twelve years of work and study. I hope the experiences and education that you received during school will begin to have meaning and that you are prepared to make the decisions and accept the responsibilities that you will soon be faced with. Remember that your success in life will be directly proportioned to your efforts. The old truism, "Give to the world the best you have and the best will come back to you," is equally true today.

I hope that the memories of your school days will always be a source of pleasure. I am proud to have been a part of your life. May God bless you always.

There were 14 members to attend the Convention held in Birmingham in March. In addition to scheduled meetings, they attended the dance and later went ice skating.

We had a candle light induction ceremony for the new members and the officers.

The Beta Club has had an outstanding year. The list of money-making projects includes the annual Valentine Candy Raffle, Beta vs. Faculty Volleyball game, and jewelry selling. The service project performed by the Beta Club was buying furniture for the guidance office.

Homecoming 1977

With much preparation and anticipation Homecoming '76 finally arrived . . . The parade and pep rally started things going Friday afternoon.

The night began with the crowning of the Queen, Princess, and alternates.

We closed our exciting Homecoming celebration with a dance.

Even though we lost the game, the mighty Red Devils made a great effort.

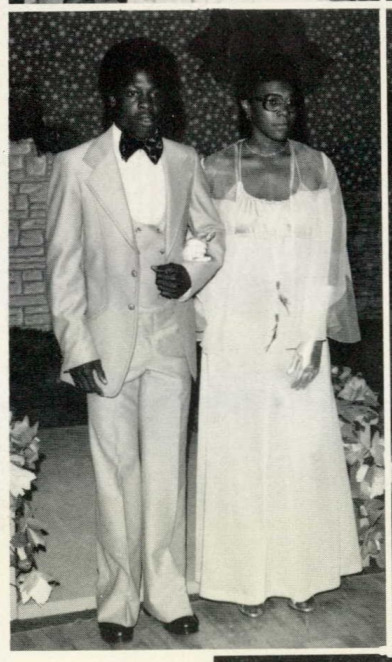

1977 Junior-Senior Prom

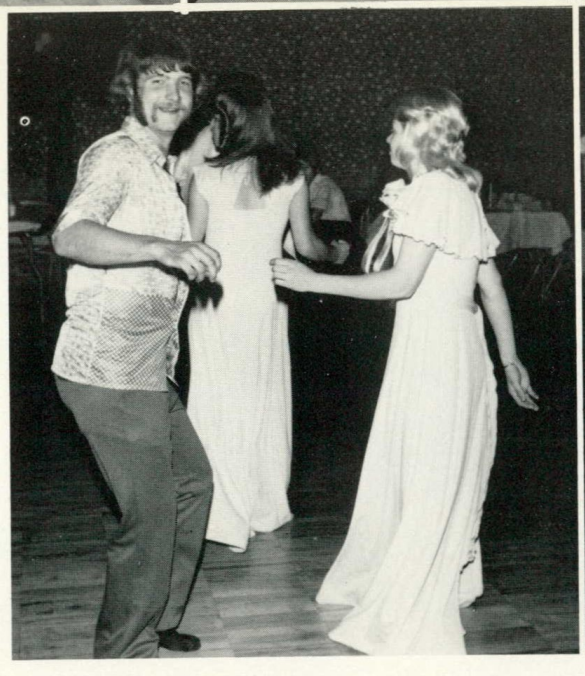

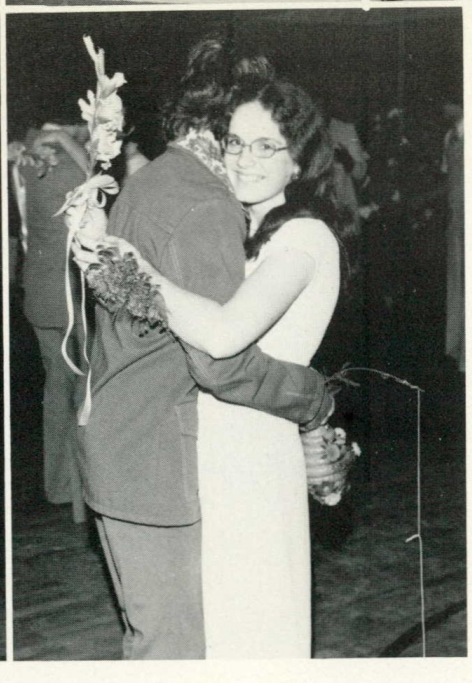

The 1977 Junior-Senior Prom was held on April 8 in the high school gym.

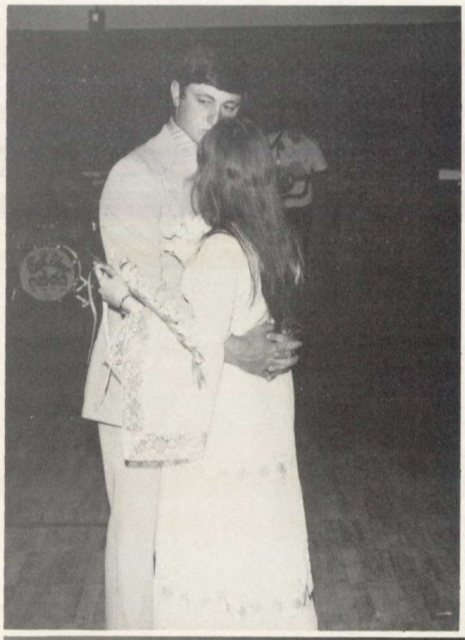

The announcement of Prom Queen, Miss Ellen Seales, and her alternate, Miss Sandra Tillery, was a high point of the prom.

Finally came the announcement of yearbook dedication which was presented to Mrs. Judy Jackson.
