Dedication

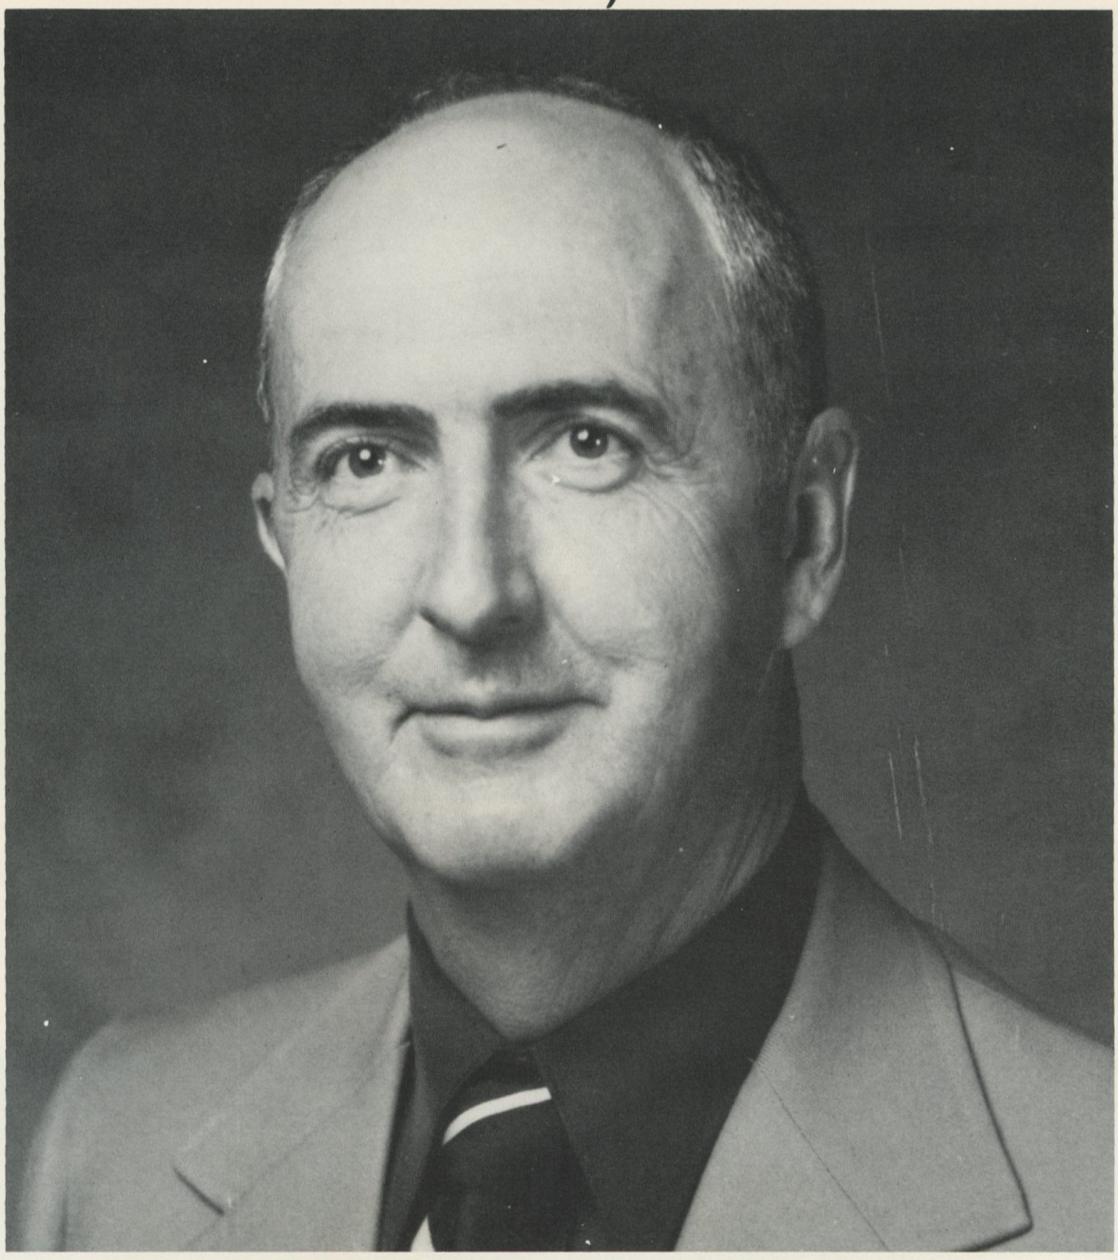

We, the members of the Senior class of Maplesville High School, dedicate this 1978 VISTA to Mr. Gene Wilkins. We are indeed grateful for his friendship, understanding, and willingness to help. When the present is dim, he is always there to lighten the future. For love and devotion, with the greatest of respect and admiration, we dedicate our VISTA to one so deserving.

Faculty

Principal

Mr. George Walker

Congratulations to the class of 1978. I believe this class had more honor students than any of your predecessors. Some of you have outstanding academic and extra-curricular records, while some of you didn't let an education interfere with your social life. The difference between success and failure in life is mostly hard work. So, seniors of '78, take heed; you must constantly work to improve yourselves. I hope that you will take advantage of your education at Maplesville High School and go on to college or to a vocational school. With the government grants that are available today, there is no excuse for those who cannot afford it not to further their education and training. If you expect to successfully compete in the world tomorrow, it is imperative that you prepare yourself today.

As your principal for the past twelve years, it has been my pleasure to have shared in your growth and education. May God bless you.

1977-78 Cheerleaders

All State Cheerleaders

This year these five girls represented Maplesville at the annual Cheerleader clinic in Tuscaloosa. They worked very hard all week long and brought home blue ribbons for football and basketball. The girls cheered at the All-State football and basketball games.
