Mr. Gary Griffin

It is with great appreciation that we, the Class of 1979, dedicate the 1979 Vista to Mr. Gary Griffin. He is admired by all who know him for his friendliness and patience, and he is an inspiration to the entire student body and faculty at Maplesville High School.

Faculty

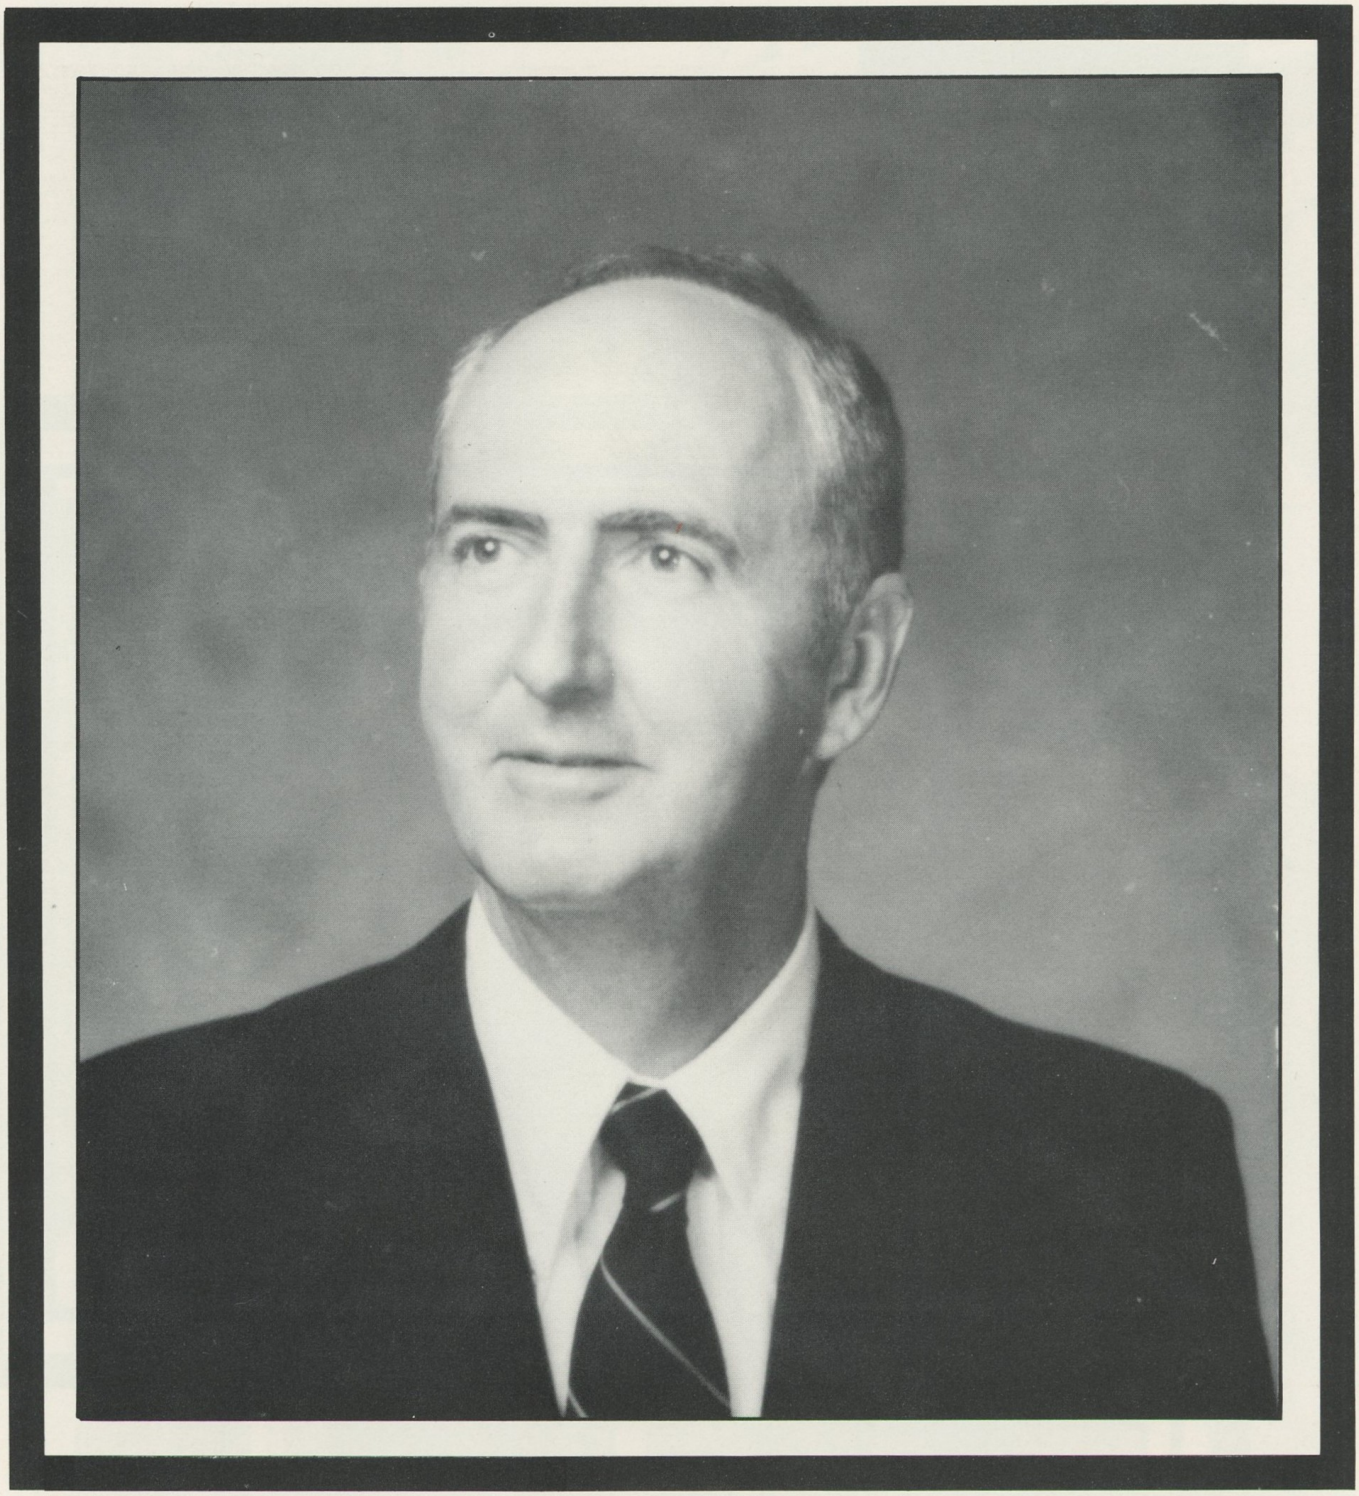

Mr. George Walker, Principal

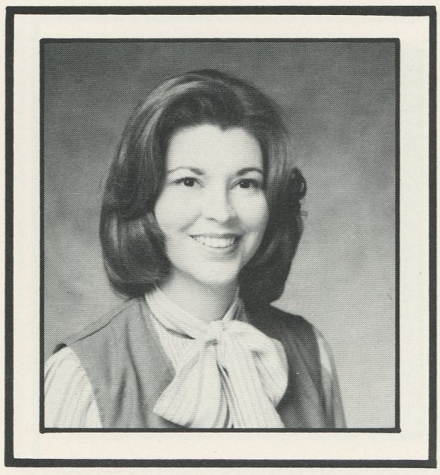

As your principal, I wish to congratulate you on your graduation from Maplesville High School. After you have walked across the stage and received your diploma, you assume more responsibilities than ever before. At a time when our country is faced with an inflation rate that is unparalleled in its short history, it is imperative that you prepare yourself for the future. Let me urge you to continue your education through our colleges and vocational schools.

Alexander Graham Bell once said, "When one door closes, another opens; but we often look so long and regretfully upon the closed door that we do not see the one which has opened for us." I hope none of you will look at the closed door too long because disappointments are a part of life. I am confident that you will accept the many challenges which lie ahead.

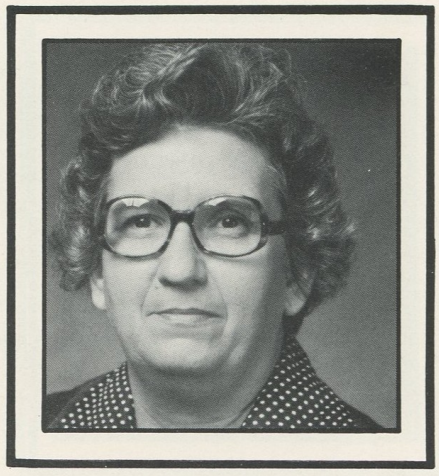

Even though you have departed our school as a student, my interest, support, and best wishes remain with you.
