MR. GEORGE WALKER, PRINCIPAL

My congratulations to the Class of 1980. Today as you are entering a new decade, you are faced with even greate challenges than ever before with double digit inflation and with the threat of war in many areas of the world. You must now continue with the same dedication and determination that you displayed as a high school student if you are to succeed in the outside world. I hope and pray you find something that will make you happy. The happiest person is one who is fond of his work and is doing it to the best of his ability. The most miserable human being is the one who is not living up to his potential.

Having served as your principal for the past twelve years, I felt a deep sense of gratification in having the opportunity to have worked with such a fine group of young men and women.

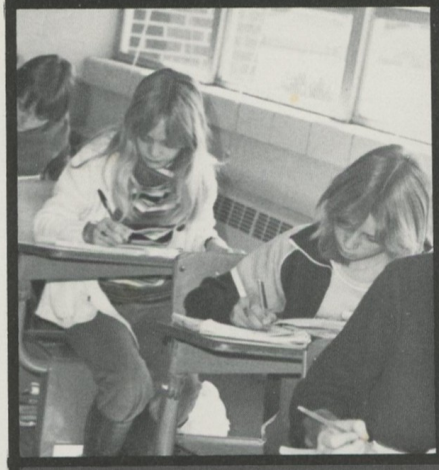

DEDICATION

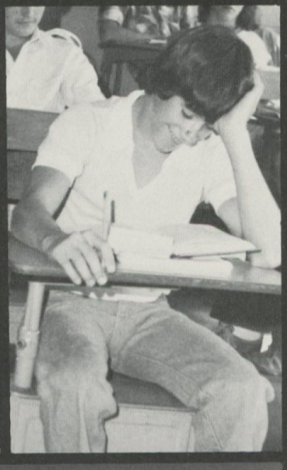

With great admiration we the Class of 1980 dedicate the 1980 Vista to Mr. Herman Washington. He has given a considerable amount of time and dedication to the teaching of his students. Mr. Washington has shown a great deal of interest in the future of the students at Maplesville High School. We, the Class of 1980, thank him.

ACTIVITIES

Homecoming 1979

Homecoming 1979 began with a bonfire on Thursday night. The excitement and festivities continued with a Pep Rally and Parade on Friday afternoon. Friday night the game between the Devils and the Catholic Knights was played in the rain as the Devils were defeated 16-12.

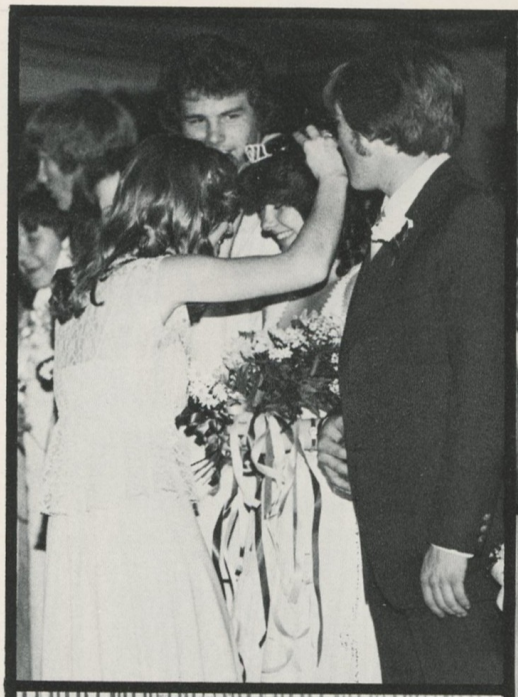

Because of the rain the Queen and Princess were crowned at the dance that followed the game.
